Please note the RS trim level will not be available until late 2024, pricing and technical information will therefore be confirmed at a later date.

"Recommended Retail Prices & Annual Road Tax are calculated using the base model WLTP values and are subject to change as a result of your vehicle configuration. Škoda Ireland reserves the right to alter pricing and specification without notice. Delivery & Related Charges Extra - please contact your local Škoda dealer for more information. Škoda Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. The specified fuel consumption and emission values were presented, are the official figures unless stated otherwise and are obtained in accordance with Worldwide Harmonized Light Vehicle Test Procedure (WLTP) and are correct at the time of publication. WLTP values reflect the worldwide standard vehicle range excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. Please note WLTP values for vehicle range and consumption may not be realised in real or day to day driving conditions"

Selection: Key Equipment

SAFETY

Driver & passenger knee airbag
Driver & front passenger airbags incl. passenger airbag deactivation
Hill hold control
Remote control central locking
Cruise control incl. speed limiter
Seatbelt warning system
Electronic stability control (ESC) & Anti-slip regulation (ASR)
iSOFIX child seat anchor points (2x rear + 1x front)
eCall – emergency call system
Tyre pressure monitoring system (TPMS)
Advanced Driver alert
Safety assist systems:
• Lane assist
• Turn assist
• Front assist

FUNCTIONAL

Climatronic dual-zone air conditioning
Infotainment system incl. 10.4" touchscreen display, Bluetooth & 8 speakers
Smartlink (Apple Carplay / Android Auto)
Wireless charging (subject to device capability)
Power folding electric adjust/heated exterior mirrors
Front & rear electric windows
Traffic sign recognition
'Kessy Go' – Keyless start/stop system
10.25" digital driver dashboard display
USB-C charging points – (2x front/2x rear/1x mirror)
Front & rear parking sensors
Rear view camera
Automatic rain/lights sensors & auto-dimming rear view mirror
Trailer hitch preparation
Remote access (3 year subscription)

INTERIOR

Black/Grey 'Loft' fabric upholstery
Height adjustable front seats incl. lumbar support (Manual)
Split folding rear seat
2-Spoke leather multi-function steering wheel with tiptronic paddles (DSG only)
Central storage compartment incl. cup holders
Front & rear centre armrest incl. front storage compartment
Luggage area incl. 12V socket & storage compartment

EXTERIOR

17" Rotare silver alloy wheels
Spare wheel, tool kit & jack
Rear window wiper
Chrome grill surround
LED headlights incl. daytime running lights
LED tail lights with dynamic indicator
Black roof rails (Combi)

Selection +: Key Equipment

The Selection + trim builds on the already comprehensive specification levels of the Selection with a further emphasis on elegance, technology and sporty design.

Equipped with many of the most popular features, additional/replacement equipment on the Selection + includes (in addition to Selection):

18" Lerna silver alloy wheels

Chrome window surrounds

Silver roof rails (Combi)

Winter package:

- Heated front seats
- Heated leather steering wheel (2-spoke)
- Heated windshield

Lodge interior:

- Comfort design front seats
- Black fabric/leatherette upholstery
- Fabric wrapped dashboard
- Mechanical rear seat release

LED interior pack:

- Ambient lights & footwell lights
 - 'Welcome' logo projection
-

Images used are for illustrative purposes only.

SKODA

Selection Box: Key Equipment

The limited-edition Selection Box trim builds on the already comprehensive specification levels of the Selection (minus trailer hitch preparation) with a further emphasis on technology, convenience and sporty design. Equipped with many of the most popular features, additional/replacement equipment on the Selection Box includes:

18" Lerna anthracite alloy wheels

Adaptive cruise control

'Kessy Full' – Keyless Entry/Go system incl. anti-theft alarm

Electric tailgate

'SUNSET' dark tinted privacy glass

Heated front seats

Lodge interior:

- Comfort design front seats
- Black fabric/leatherette upholstery
- Black fabric wrapped dashboard
- Mechanical seat release

LED interior pack:

- Ambient lights & footwell lights
- 'Welcome' logo projection

13" Infotainment system:

- 13" touchscreen display
- Navigation
- Display cleaner
- Remote access (3 year subscription)

Family package:

- Tablet holder in rear centre console
- Double side boot floor cover
- Waste bin holder in door
- Umbrella in passenger door
- 3rd Key

Simply clever package:

- Storage compartment under passenger seat
- Net program with cargo elements
- Net partition (combi only)
- Variable boot floor (combi only)

Electric luggage compartment cover

Floor mats

SKODA

Sportline: Key Equipment

With sharp, sleek details both inside and out, the special edition Sportline is distinctive from every angle. Packed with exclusive styling, the Sportline will ensure you can indulge your thirst for adventure in total comfort. Key equipment includes (in addition to Selection):

18" Vega black aero alloy wheels

Matrix LED headlights incl. variable light distribution

Sportline exterior styling pack:

- Black window frames & Black grill inserts
- Black spoiler (Hatch version) & roof rails (Combi)
- Sport suspension (-15 mm)
- SUNSET dark tinted privacy glass

Sportline interior styling pack:

- Front sport seats – fabric and leatherette
- Black dashboard, grey-stitched black covering, black air vents
- Deco inserts Piano Black
- Aluminium sports pedals & door sills
- Sportline badged multifunction steering wheel incl DSG paddles

LED interior pack:

- Ambient lights & footwell lights
- 'Welcome' logo projection

'Kessy Full' – Keyless Entry/Go system

Heated front seats

Drive mode select

Electric child lock

Anti-theft alarm with interior monitoring alarm

Images used are for illustrative purposes only.

HVO (Hydrotreated Vegetable Oil)

Fuel your new diesel Škoda with HVO and reduce emissions by up to 90%

What is HVO?

HVO is a fuel replacement or alternative for compatible diesel engines. HVO offers a cleaner way to fuel by providing up to 90% reduced CO₂ emissions. Unlike first generation biofuels, which are made from crops such as rapeseed and soy, Hydrotreated Vegetable Oil (HVO) is a second-generation biofuel made from pre-existing bio-waste products, primarily used cooking and vegetable oil from food industry waste. Manufactured from renewable and sustainable waste, HVO is a paraffinic drop-in fuel designed as a direct replacement for diesel. It meets the international fuel standard EN 15940. HVO can provide full lifecycle greenhouse gas (GHG) emission savings of up to 90% when compared to conventional diesel fuel.

What are the benefits?

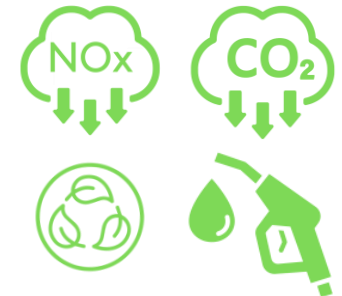

Sustainability – Made from sustainable and renewable raw materials, HVO reduces carbon emissions by as much as 90%. This enables households and businesses to make an immediate reduction in carbon emissions and reduce their environmental impact.

Improved Air Quality due to a reduction in particle and nitrogen oxide (Nox) emissions compared to diesel

Performance – Your vehicles performance will be indistinguishable from diesel with the fuel performing better under certain circumstances such as cold winter conditions

Direct Drop-In – No modifications are required to new Škoda's in order to use HVO. HVO and diesel fuel can be interchanged and mixed in any ratio or concentration.

Price – currently many fuel suppliers in Ireland are providing HVO at a comparable or equivalent price to diesel. So there is no additional cost to switching

Where can I get HVO for my Škoda?

HVO is already available at selected Certia and Circle-K outlets in Dublin, Tipperary, Carlow, Cork and Donegal with availability improving all the time.

How do I know if my Škoda is compatible with HVO?

Only Škoda vehicles from “Model Year 2022” (not registration in 2022) are compatible with HVO. You can identify if your Škoda is HVO compatible by the lettering “XTL” detailed inside the fuel filler flap. If you are unsure of your vehicles model year please contact your Škoda Dealer. Biodiesel or vegetable oil should not be used in Škoda vehicles and these products should not be confused with HVO. Only HVO that meets standard EN 15940 should be used in Škoda vehicles.

ŠKODA
